Nutritional information and ingredient statements are based on current formulations and standard recipes, using data provided by our suppliers and distributors, and are meant to provide a general estimate of nutritional values associated with our menu items. Variations can be expected due to seasonal influences, differences in product preparation per restaurant, substitution of ingredients, customized ordering and other factors. Some menu items, including test products and regional items, may not be available in all restaurants. If you have food allergies, you should know that we use milk, eggs, tree nuts, peanuts, seafood, soy, wheat, sesame products, crustacean shellfish, fish, sulfites and other allergens in our kitchens. Unless otherwise noted, items are prepared in common areas and food prepared at our restaurants may come in contact with or contain traces of these products and other potential allergens or ingredients.

Kids Nutritional/Allergen Menu

Village Inn Restaurants has provided this guide for menu nutritional information to help you make better informed decisions when dining at Village Inn. To use this guide, simply look for the menu item in the appropriate section to see the nutritional information. Please note that we often make changes to our menu to better serve you, so be sure to check back to the website for the most updated information. Thank you!

Nutritional information and ingredient statements are based on current formulations and standard recipes, using data provided by our suppliers and distributors, and are meant to provide a general estimate of nutritional values associated with our menu items. Variations can be expected due to seasonal influences, differences in product preparation per restaurant, substitution of ingredients, customized ordering and other factors. Some menu items, including test products and regional items, may not be available in all restaurants. If you have food allergies, you should know that we use milk, eggs, tree nuts, peanuts, seafood, soy, wheat, sesame products, crustacean shellfish, fish, sulfites and other allergens in our kitchens. Unless otherwise noted, items are prepared in common areas and food prepared at our restaurants may come in contact with or contain traces of these products and other potential allergens or ingredients.

Pie Nutritional/Allergen Menu

Village Inn Restaurants has provided this guide for menu nutritional information to help you make better informed decisions when dining at Village Inn. To use this guide, simply look for the menu item in the appropriate section to see the nutritional information. Please note that we often make changes to our menu to better serve you, so be sure to check back to the website for the most updated information. Thank you!
